For: RADIO FREQUENCY BUILT-IN SELF TEST FOR QUALITY MONITORING OF LOCAL OSCILLATOR AND TRANSMITTER	

**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 C.F.R. 1.137(b)**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-14550

Dear Sir:

The above-identified application went abandoned on or about March 12, 2010. Applicants' representative checked the file history of the case and determined that, even though Applicants had intended to submit a response on or before, March 11, 2010, to the Office communication dated September 11, 2009, no such response has been submitted. Applicants now submit the response they had intended to file on, or before, March 11, 2010, and this Petition to Revive.

Pursuant to the requirements of 37 C.F.R. § 1.137(1), Applicants submit herewith the reply required -- the attached Notice of Appeal & Appeal Brief.

Pursuant to the requirements of 37 C.F.R. § 1.137(b)(3), Applicants state that the entire delay from March 11, 2010 (last due date for submitting Applicants' Amendment with 3-month EOT) to January 12, 2011 (date of the present petition) was unintentional.

Pursuant to the requirements of 37 C.F.R. § 1.137(b)(2), please charge the \$1,620.00 petition fee set forth in 37 C.F.R. § 1.17(m) to Deposit Account No. 20-0668.

Respectfully submitted,

Ronald O. Neerings
